APRIL 20-28, 2010

\$1550 DOUBLE OCCUPANCY W/O AIRFARE

Why you should join us

TANGO IS EVERYWHERE IN BUENOS AIRES

Buenos Aires is an amazing city under any circumstances, but to travel there in the company of QuinTango is nothing short of fabulous. This

fun-loving quintet will be on hand to share their favorite restaurants, shoe shops, and late-night tango haunts as you discover why Buenos Aires has become the hottest destination in South America. But, don't take my word for it. Read for yourself the experiences of others who have joined QuinTango in Buenos Aires:

"I have never traveled with a more sympatico group. I have to be careful when people ask me how my trip was; I don't want them to hate me for having such a marvelous time... an amazing, interesting, diverse group of people!!"

"I can't tell you how much I am yearning to be back in BA... such a wonderful trip...so memorable that I am having a hard time getting back in the "reality" groove."

"You all were perfect travel buddies, and just as you promised, we are definitely hooked on the magic of Buenos Aires!"

I'm excited just reading the quotes - and I've been there! So, please join us. The price of the trip includes transfers, a 4-star hotel with daily breakfast and the 9-day proposed schedule described below.

JUST IMAGINE...

Imagine yourself mesmerized by busking tango dancers and musicians, soaking up old-world ambiance over a café cortado in a historic café, dining on bife de chorizo (one of the greatest steak dinners ever) and a bottle of Malbec wine - for the price of a pizza dinner. Think music, tango, adventure, old friends (QuinTango) and new (all our other fans who are coming!). It's a week you'll never forget.
